NINE OTHER BANKS CITED IN RIGGS CASE

Defense Shows Lewis Johnson Co. Books Carry Their Names for Stock Transactions.

GOVERNMENT TO GET ALL EVIDENCE IN BY MONDAY

Lull in Apparent Strained Relations Between Counsel, But One Verbal Tilt Occurring

banks of the District of Columbia were brought into the Riggs National Bank case today in Criminal Court No. 1. where two officers and one former officer of the Riggs institution are on trial of a charge of perjury in swearing that the bank did not deal in stocks and bonds, the government being the com-

Commercial National Bank, American National Bank, District National Bank, armers and Mechanics' National Bank,

Farmers and Mechanics' National Bank, Franklin National Bank, National Bank, Columbia National Bank, National Bank, National Bank of Washington and Second National Bank.

Frank J. Hogan of counsel for the defense placed in evidence ledger sheets of the defunct brokerage firm of Lewis Johnson & Co. showing that the firm carried on its books stocks and bonds sale and purchase accounts with the nine other banks mentioned.

carried on the Johnson books.

He said the other nine accounts showed purchases and sales of stocks showed purchases and sales of stocks and bonds in the names of these banks, and that the Johnson firm received orders for such sales and purchases, sent advices and bills to these banks or credited them in exactly the same way in which they had done business with the Riggs Bank.

Mr. Hogan's cross-examination was very brief. On re-direct examination of Lammond by Mr. Archer for the government the witness testified that he had no personal knowledge of private telephone communications between

May Finish Evidence Monday.

interest today with the fact, announced by Mr. Laskey on behalf of the government, that the government expects to finish the presentation of the evidence in its case by Monday, and also with the introduction by the government of a mass of correspondence between Charles C. Glover, president of the Riggs Bañk, and T. P. Kane, deputy acting controller of the currency in 1994, which papers the counsel for the defense objected to en the ground that while they were certified copies, they appeared to be, Mr. Hogan said, mutilated and excised.

Mr. Hogan demanded the production of the originals to see how the alleged mutilations had taken place, and Mr. Darlington of counsel for the defense pointed out that the originals must be within the jurisdiction of the court and declared that there is nothing to prevent the presentation of the originals in the trial. Mr. Archer, speaking for the government, declared that the papers show remonstrances by controllers or acting controllers addressed to the bank against purchases and sale of stocks and bonds by the bank, al-

to the bank against purchases and sale of stocks and bonds by the bank, although he said Mr. Glover's replies were to the effect that the purchases and effect of stocks and bonds were not by the bank, but by its officers.

Identifies Papers Showing Deals W. Morris Lammond was on the wit-

ness stand almost the whole morning, occupied with identifying papers which showed transactions in stocks and bonds. As soon as court opened Attorney Stanchfield drew the attention of Justice Siddons to the fact that the vernment had presented documents vering forty such transactions and said he desired again to make it sown that the defense was willing to make the transactions "in almost any make the transactions in almost any make the transactions of the transactions and transactions and transactions of the transactions and transactions and transactions and transactions and transactions and transactions and transactions are transactions and transactions are transactions and transactions are transactions ar concede the transactions "in almost any language desired by the government."

Mr. Laskey admitted that a month's are running on schedule and many of the would be required to go into the 132 transactions which the government's rent specified in its bill of particulars, and said he hoped that a stipulation could be entered into with the defense to as to finish the presentation of the evidence in the government's case by Monday. Justice Siddons remarked that such an arrangement would be wanted to return to work could file an wanted to return to work could file and the cars to come to the city. The cars, according to General Manager Emmert, are running on schedule and many of them were well filled when they reached the terminus at 36th and M streets.

A number of the strikers have taken advantage of a bulletin posted by the company that all former employes who wanted to return to work could file and the cars to come to the city. The cars, according to General Manager Emmert, are running on schedule and many of them were well filled when they streets.

A number of the strikers have taken advantage of a bulletin posted by the company that all former employes who ence in the government's case by day. Justice Siddons remarked such an arrangement would be y desirable, and, later on, when Mr. nd was excused from the wit-end, his departure from the stand

from December 81, 1909, to 1910 these commissions were carried every three months to the profit and loss account and went into the details of what be-came of the commissions earned by the so-called Glover and Flather com

Only One Verbal Tilt.

There was a lull today in the evidence of strained relations which apparently have existed between Mr. Hogan and Mr. Fitts, the latter representing the government. But Mr Laskey and Mr. Hogan had a small passage-at-arms when Mr. Hogan was examining Lammond, in which Mr. Laskey said to Mr. Hogan, "I suppose you could teetify to these facts yourself," and Mr. Laskey replied, "Yes, I could of my own knowledge, and prove them, too."

MRS. FRAILEY WINS FOR AQUEDUCT BRIDGE GOLF CHAMPIONSHIP

Defeats Miss Louise Barney, Also of Chevy Chase Club, on Home Green.

Mrs. C. L. Frailey of the Chevy Chase Club today won the District Golf Association's woman's championship in the finals of the tournament at the Chevy Chase Club by defeating Miss Louise Barney, also of Chevy Chase, in a hard-fought contest, which was de-

usual, throughout the entire eighteen

more of a romp than a championship

match.

shall pay one-half the cost of constructing and maintaining the new bridge. By a typographical error in the bill as originally engrossed a provision to that effect was made obscure and doubtful, and necessitated remedial action by Congress.

The Secretary of War is charged with the execution of the act and the commission of fine arts is to "advise" on the questions of site and design. Although not officially announced, it seems to be generally accepted that Lieut Col. C. A. F. Flagler, the District water supply system and local river and harbor works, will be called on to prepare a project for the execution of the law, including plans for a bridge and the acquirement of necessary land at the Washington approach.

Secretary Baker, Gen. Black, chief of engineers, U. S. A.; Col. Flagler, the District commissioners, Representative Carlin, author of the bill, and other officials are on record as favoring the foot of 34th street as the site of the Washington approach of the new structure, so it is

Miss Barney 1 Up at Turn.

On the tenth hole Miss Barney put her drive in the pit, while Mrs. Frailey's tee shot was on the green and the latmatch. The eleventh hole was halved in eight after both players had been in the bunker guarding the green. Miss the twelfth green and won the hole Mrs. Frailey's ball ran into the bunker in front of the short thirteenth hole, while Miss Barney's long drive was in a sand trap to the left of the green

while Miss Barney's long drive was in a sand trap to the left of the green. Miss Barney played poorly and the hole was halved in five.

On the fourteenth hole Miss Barney hooked her second shot and Mrs. Frailey won the hole, again squaring the match. Both played short of the creek on number fifteen, but Miss Barney took four putts and her opponent won the hole. However, on the sixteenth Miss Barney took a long chance and carried the creek, eventually winning carried the creek, eventually winning the hole and squaring the match again. On the seventeenth hole both got good drives, but Mrs. Frailey's second shot was short of the green, while Miss Barney's ball carried high and ran over the green. The hole was halved in five and they came to the eighteenth termine.

deven.

Miss Barney hooked her drive into the rough grass and put her second in the bunker at the top of the hill. Mrs. Frailey played a good straight drive and a magnificent second shot, which nearly rolled on the green. Miss Barney had a bad lie in the bunker, and took two strokes to get out, while Mrs. Frailey run her ball up close to the cup, winning the hole and match.

The woman golfers of the Chevy Chase Club today gave a luncheon to the visiting woman golfers who participated in the tournament.

amped between Colonia Dublan and Namiquipa recently became ill after eating food purchased from Mexicans and as a result several of the natives were taken into-custody today, the arrivals said. Military authorities have taken steps to prevent a repetition of the danger.

Heavy traffic over the motor truck trail from Columbus to Namiquipa has made it almost impossible, truckmen said. In some places the road, despite efforts of the engineering corps, has become so rutted as to make impossible a greater speed than three miles an hour.

Some of the truckmen reported to the hospital upon their arrival, suffering from illness, presumably caused by the

Executions of Mexican Bandits

BROWNSVILLE, Tex., May 19 .-- The first legal executions in payment of the penalty for American lives lost in border raids by Mexican bandits last summer and fall were to take place here today with the hanging of Melquaides Chapa and Jose Buenrostro, aged twenty-three and twenty-five, respectively, found guilty of murder in connection with the killing of A. L. Austin and his son Charles, following a raid on Sebastian, Cameron county, August 6, 1915. Announcement by Gov. Ferguson at Austin last night that he would not interfere with the hangings made execution of the death penalty almost certain. railway employes which called on the authorities in Mexico City was lodged Few passenger trains are arriving

cution of the death penalty almost certain.

Austin and his son were shot to death when a band of fourteen Mexicans raided the little town of Sebastian last August 6. The two Americans were captured by the raiders, carried a short distance from the town and killed. All the raiders except Buenrostro and Chapa escaped. Evidence submitted at the trial last April tended to show that Buenrostro fired the fatal shots, while Chapa stood guard nearby. Three American witnesses, whose lives were spared by the bandits, gave the principal testimony. No exact hour has been set for the executions. tillo to Piedras Negras, opposite Eagle Pass, Tex., had been held up by Mexi-CONCENTRATION CAMPS
